WY Cost Comparison 062007.pdf

CONFIDENTIAL SETTLEMENT COMMUNICATION SUBJECT TO FRE 408

Cliff,

I attach a spreadsheet that compares the estimated costs for the work contemplated by the February 14, 2007 EE/CA submitted by the railroads and the estimated costs for the work recommended by EPA technical staff's comments on that EE/CA. We would like to schedule a call with you to discuss the spreadsheet and the path forward. We are generally available this week. None of us are taking any extra days off around the 4th. Please let us know what works for you. Thanks.
